General Assembly PTA Meeting

Tuesday, January 19, 6:30 pm

Stonewall Cafeteria

Have you always wanted to know what we do at our meetings? Come join us and find out! All PTA members are allowed to vote at meetings. If you are not a member, it is never too late to join. Simply go to our website at www.stonewallpta.org and look for the membership form. Fill it out and send it in with the membership fee and you will become a member. If you have any questions about membership, you may contact Michelle Lane, membership chair, at mddlane@yahoo.com.

At our next meeting, we will be updating our budget and announcing plans for spring activities and discussing PTA and SBDM Elections for the next school year. We will also be finalizing plans for Winterfest. We need volunteers to serve on these committees. So please, take the time to attend our next meeting and find a way to use your skills and talents to enhance your child's education. Let your voice heard!

Donate Blood to Save A Life!

Start the New Year off right with a generous gift of blood donation. Stonewall will be hosting a blood drive on Thursday, January 28 from 2-7:30 pm in the library. Blood donation won't take up much of your time and it is so important to those in our community who are desperately ill. Free long sleeve T-shirts will be given to all who donate. Prizes will be awarded to the class with the most pints. Roll up your sleeves!

Donate your old cell phone!

Did Santa bring you a new cell phone? Do you have half a dozen old phones rattling around in your junk drawer? You need to get rid of them to make way for new junk! We will be collecting old cell phones during the month of January as part of our continuing community service programs. The phones will be refurbished and then donated to those in need. Please send any old phone you have to school this month. There will be a collection barrel in the school lobby. Participating in our community service programs is a great way to show your child how they can be of service to those in need. Stonewall has a great tradition of community service! Thanks to all who donate.

Snow Days

Students' safety is a top priority in Fayette County Public Schools, particularly on snowy or icy days. When winter weather conditions affect school, watch for the latest news on the FCPS home page, through Facebook and Twitter updates and on Channel 13 and other local media outlets. Every family should be prepared in case weather conditions prompt school closings. It's a good idea to decide in advance how to line up child care and how to adjust if school start times are delayed or if students are dismissed early. Please make sure Stonewall has current phone numbers and emergency contacts for your student. If snow days are called, special classes are not skipped; they pick up where they left off before the snow day.

February 12 and March 5 are now make-up days.
