## Chess Champs!

On November 14, 2009, three Stonewall third graders went to Winchester, Kentucky to compete in the 3rd Annual Bedford Memorial Chess Tournament. It was a sweep for Stonewall because we took 1st, 2nd and 3rd place! WOW! The winners are as follows: Jeffrey Tipton - third place trophy, Chase Whatley - 2nd place trophy and J.T. Sparks - 1st place trophy. If you see any of these boys, congratulate them and encourage them to keep up the good work.

## Congratulations!

The teachers will be providing wish lists for their classrooms, so you can purchase a book for many children to enjoy. This is a great opportunity to get some holiday shopping done at half price! ## Deadline Extended for Coat Drive Until December 11<sup>th</sup>!

We have already delivered two loads of coats to Harts Laundry to clean and distribute to needy children from our November coat drive. Thank you to all who have already generously donated. But Harts says that donations are down this year and they could use some more coats. We are now accepting coats for adults and children until December 11<sup>th</sup>. There is a barrel in the school lobby where you can drop them off. Check out your closets and see if you don't have an older coat that you could give to someone who really needs one. Not only will you help those in need, you will be teaching your children the value of community service. Thank you for participating.
